Urgent Notice regarding Internal Assessment Test

Greetings from Directorate of Online studies, GNDU, Amritsar

Directorate is planning to commence the end term semester examinations tentatively from 18th December 2024 onwards. A detailed schedule will be shared shortly. As per university rules all the students are required to complete their internal assessment tests to become eligible for the end term examinations.

Please note that the external examination link will be enabled on the LMS portal only if students complete their internal assessment tests and score minimum 11 marks out of 30. All students are advised to download Safe Examination Browser (SEB) using the link available on the LMS portal and immediately complete both the assessment tests carrying 15 marks each. Detailed instructions along with the snapshots are attached in the notice **pages 2 to 14**.

Steps to download **Safe Examination Browser** from LMS Portal

1. Visit the Directorate of Online Studies website.
2. Log in to the LMS portal. Your dashboard will open
3. Click on Internal Assessment tab
4. Navigate to **SEB INSTRUCTIONS** tab. The link for downloading and using the Safe Examination Browser will be displayed
5. Click on link to download the Safe Examination Browser. After successfully downloading it, students can proceed to complete their internal assessment tests followed by internal/external examinations.

For any technical help please contact Ms. Shruti (7658875661) Mr. Arshdeep Singh (7347212479)

Notice has also been uploaded on directorate website in announcement section

Step II : Login on LMS portal and dashboard will be open with your user name and password

Step III : Click on Internal assessment tab

The screenshot displays the GNDU online portal interface. The sidebar menu on the left includes the following items:

- Dashboard
- Syllabus
- LEARN
 - Courses
 - Virtual Classroom
- COLLABORATE & COMMUNICATION
 - Notification & Inbox
 - External Communities
 - Swayam
- ASSIGNMENTS, QUIZZES AND EVALUATIONS
 - Internal Assessment
 - Exam Form
 - External Exam
- REPORT CARD
 - Progress Report
 - Grades & Certificate
- FEE SCHEDULE & HISTORY
 - Online Payment

The main 'Home' section contains 12 tiles:

- Learn**: Ready to take your first step! Get to know about the courses offered. Links: Courses, Virtual Classroom.
- Collaborate & Communication**: Important Notification & Inbox. Links: Notification & Inbox, Swayam.
- Report Card**: Your Achievements. Links: Progress Report, Grade Cards & Certificates.
- Your University Enrollment**: View your enrollment details here. Links: Enrollment Detail, Current Contact Details.
- Assignments, Quizzes and Evaluations**: Organize your schedule for upcoming assessments. Links: Internal Assessment, External Exam.
- Fee Schedule & History**: Payment Processing. Link: Online Fee Payment Gateway.

A security notice at the bottom states: "Your (anjali2023) IP Address is being tracked due to security reasons, your current IP Address is 59.183.136.241".

Step IV : For downloading the on safe examination browser click on SEB INSTRUCTIONS tab and followed by link for downloading and using the safe examination browser will be displayed

The screenshot shows a web browser window with the URL gnduu18evolute.com/app/internal-assessment. The page is titled "Internal Assessment / External Exam" and includes a navigation sidebar on the left with options like Dashboard, Syllabus, Courses, Virtual Classroom, and External Communities. The main content area displays "Examination Scheduling (As per Indian Timing)" and provides a link to "EXAM INSTRUCTIONS". Below this, it lists three subjects: BUSINESS ORGANIZATION, BUSINESS STATISTICS, and COMPUTER FUNDAMENTALS, each with two internal assessments and an external examination. The status for all assessments is "PENDING". A security notice at the bottom states: "Your (anjali2023) IP Address is being tracked due to security reasons, your current IP Address is 59.183.136.241". The Windows taskbar at the bottom shows the date as 09-12-2024 and the time as 23:04.

Step V : after successful downloading the safe examination browser students can give the internal assessment test followed by internal/external examination

The screenshot displays the 'Instructions & How To' page on the Guru Nanak Dev University portal. The page is divided into two main columns for Windows and MacOS instructions. The left sidebar contains navigation links for Dashboard, Syllabus, Courses, Virtual Classroom, and various assessment tools. The main content area provides a step-by-step guide for downloading the Safe Exam Browser and configuration files, followed by login instructions and a list of important notes for the exam process.

Instructions & How To
Dashboard / Instructions & How To

To take any Internal Assessment and External Exam, follow the below-mentioned steps -

For Windows Steps to take the Internal Assessment with Safe Exam Browser

Step 1 - Download and Install the safe exam browser using the link given below - [Download Safe Exam Browser](#)

Step 2 - Download the configuration file using the link given below - [Download Configuration File](#)

Step 3 - Now double click on the downloaded Configuration file and login into the student portal to take Internal Assessment and if it asks for a password, please use 123456.

Step 4 - After finishing the Internal Assessment, you may safely close the exam browser. To do so, click on the power icon located on the right side of the screen, and use the password "123456" (if asked).

Note:-

- 1) Kindly don't close the browser unless you are done with your Internal Assessment.
- 2) It is recommended to save downloaded files to your Desktop for easy access.
- 3) In case of any disconnection during the internal assessment due to any technical issue (such as internet disruption or power outage) at your end, click on the downloaded "Configuration file" to login back to your account. Note that during this process, the timer for the test in the backend will continue running.

For MacOS Steps to take the Internal Assessment with Safe Exam Browser

Step 1 - Download and Install the safe exam browser using the link given below - [Download Safe Exam Browser](#)

Step 2 - Download the configuration file using the link given below - [Download Configuration File](#)

Step 3 - Now double click on the downloaded Configuration file and login into the student portal to take Internal Assessment and if it asks for a password, please use 123456.

Step 4 - After finishing the Internal Assessment, you may safely close the exam browser. To do so, click on the power icon located on the right side of the screen, and use the password "123456" (if asked).

Note:-

- 1) Kindly don't close the browser unless you are done with your Internal Assessment.
- 2) It is recommended to save downloaded files to your Desktop for easy access.
- 3) In case of any disconnection during the internal assessment due to any technical issue (such as internet disruption or power outage) at your end, click on the downloaded "Configuration file" to login back to your account. Note that during this process, the timer for the test in the backend will continue running.

Step VI : Install Safe Exam Browser (SEB)

Step VII :This is the Snapshot of the Installing Process of safe Exam Browser (SEB)

Step VIII : After Installing Safe Exam Browser (SEB) Download Configuration File ([SebclientSettings-gndu.seb](#))

The screenshot displays the GNDU student portal interface. The top navigation bar includes the university logo and name, a search bar, and a user profile icon. The left sidebar contains various menu items categorized under 'LEARN', 'COLLABORATE & COMMUNICATION', 'ASSIGNMENTS, QUIZZES AND EVALUATIONS', 'REPORT CARD', and 'UNIVERSITY ENROLLMENT'. The main content area is titled 'Instructions & How To' and provides detailed steps for downloading and installing the Safe Exam Browser (SEB) configuration file. The instructions are divided into two columns: 'For Windows Steps to take the Internal Assessment with Safe Exam Browser' and 'For MacOS Steps to take the Internal Assessment with Safe Exam Browser'. Both columns follow a similar four-step process: 1) Download and install the safe exam browser using the link given below - [Download Safe Exam Browser](#); 2) Download the configuration file using the link given below - [Download Configuration File](#); 3) Now double click on the downloaded Configuration file and login into the student portal to take Internal Assessment and if it asks for a password, please use 123456; 4) After finishing the Internal Assessment, you may safely close the exam browser. To do so, click on the power icon located on the right side of the screen, and use the password '123456' (if asked). A note at the bottom of each column states: 'Note:- 1) Kindly don't close the browser unless you are done with your Internal Assessment. 2) It is recommended to save downloaded files to your Desktop for easy access. 3) In case of any disconnection during the internal assessment due to any technical issue (such as Internet disruption or power outage) at your end, click on the downloaded "Configuration file" to login back to your account. Note that during this process, the timer for the test in the backend will continue running.'

At the top right of the browser window, a download notification shows that the file 'SebClientSettings-gndu.seb' (3.4 KB) has been successfully downloaded. Below it, another notification indicates that 'SEB 3.6.0.633_SetupBundle.exe' (264 MB) was downloaded 9 minutes ago.

At the bottom of the page, a security notice states: 'Your (Rohit2) IP Address is being tracked due to security reasons, your current IP Address is 2401:4900:80af:d704:8905:8af8:33df:2aff'.

Step IX : After Downloading Configuration File Double Click on Configuration ([SebClientSettings-gndu.seb](#)) File to open Safe Exam Browser (SEB)
